## ***January 2010***

Dear Friends and Partners,

Oswald J. Smith once said:

*"Why should anyone hear the Gospel twice, before everyone has heard it once?"*

Linda and I are dedicated to the networking and training of ministers and laymen, by encouraging them to reach out to the 3 billion people that have never heard the glorious Gospel of Jesus Christ before!

We look back with joy, on a very fruitful 2009. We are very thankful for the wonderful things God has done through us! What a Might God we serve! God has used Linda and myself, to reach and teach many people in the Netherlands and other parts of Europe with the everlasting Word of God. Linda has also been blessed & honoured with many opportunities to teach at various ladies meetings and conferences.

We've heard some amazing testimonies of people who received healing for their soul and body! All praise to Him!

### **POLAND**

In June 2009 I went on a missions trip, together with Rob Bakker and the Bible school students to Stettin, Poland. Sammy Jo, our youngest daughter also made the trip, and it was such a blessing to see the impact it made on her. She was so fired up, she shared her testimony & encouraged the young people many times.

We as a team, were given the opportunity to teach the Word of God in a few different Churches and held a healing campaign for 4 days.

We encountered many healings, from emotional to physical. One man who had been suffering from Astma for many years, was completely healed! Hallelujah!

**During our street outreaches, we were blessed to be able to get the chance to talk and share the Good News to many people. Several asked us to pray for healing, 3 got saved and later came to the meetings we held in the evening.**

**We were also invited to come to a boys youth prison and share something. When we asked our team if someone had something on their hearts they wanted to share with these young men, I was surprised when our own daughter, Sammy Jo, stood up and shared how God was the only one who could still give them a bright future and that nothing else in this life will satisfy. She gave some examples of her own life and got a standing ovation when she sat down. We trust God that the words that were planted in the hearts of these young men will bear much fruit & stir a hunger in their hearts for the Love of God!**

### **IRELAND**

**Because our daughter Sammy Jo started College in Galway, Ireland last September, we felt that it would not be good for her to live in Galway on her own at such a young age.. Linda and I prayed about it and we decided to move with her to Galway for this school year, and travel back and forth to Holland to continue the work there. We are very thankful that God is now also opening new doors in Ireland for our ministry. Ireland has always been on our hearts even during the 8 years we have been living in Holland. We experience that God is doing a new thing in Ireland because there are so many people here without hope since the Country has fallen into recession. They are now more open to hear the message of Hope that God has given us. While we are here we want to be a blessing to the local churches & people of Ireland by teaching God's Word.**

**In the last week of April and the first week of May this year, we will organise an International Outreach, with young people from USA, Holland, England and Ireland. We will be doing street evangelism, in Galway, and all sorts of different outreaches with music, dance and invite people to evening meetings with a special guest speaker, Tracey Armstrong from Seattle, USA.**

**We would like to thank all of you for your prayers and your giving! We could not have done this work without you. It is our prayer that 2010 will be a fantastic year for all of you, full of God's goodness and provision!**

**God Bless!
